TERMS AND CONDITIONS OF QUOTE/SALE
 Prices quoted for supplier items are subject to change and may be subject to supplier minimum order requirements.
 Price quotes are valid for 30 days and subject to prior sale.
 Additional fees may apply to items requiring crating or hazardous material (hazmat) handling.
 Parts included in this quote may only be exported in compliance with U.S. export control regulations.
 Shipments are not insured unless specifically requested in writing by the customer.
 The minimum purchase order value is \$150.00 USD.
 We reserve the right to correct any errors on this quote at any time.
RMA POLICIES
 Returns are subject to a 25% restocking fee and require an approved Return Material Authorization (RMA).
 RMAs must be shipped with a trackable Air Waybill (AWB) within 10 days of issuance.
 Any returned units must be shipped with all original documentation; including but not limited to authorized release certificates, removal tags, and trace documents.
 Cancellations and returns are not accepted without prior approval and an authorized RMA.
WARRANTY POLICIES
 Overhauled and Serviceable Units: Supplied with the warranty provided by the FAA 145 repair station that performed the work on the component.
 As-Removed Units: Must be purchased with a pre-approved repair cap and a pre-selected repair station. Any service performed must receive prior written approval from an AMP Aero Services, LLC representative.
 Factory New Units: Includes the OEM warranty with OEM certifications or tags.
 New Surplus Units: Covered by a 30-day warranty, which begins from the invoice date.
 Warranty Claims: Coverage for overhauled (OH), serviceable (SV), or new units will only be granted upon submission of an airline failure report. Failure reports from repair stations will not be accepted, as they will be considered evidence of tampering, rendering the warranty void. Any exceptions must be approved in writing by authorized personnel of AMP Aero Services, LLC.
