**A wire transfer fee has been added to this Pro-Forma. It is standard practice for most banks (including ours) to charge a fee for receiving international wire transfers - this is billed as a separate charge in addition to any fees already paid by you to perform the transfer. Regrettably we must pass on this additional charge. To avoid this charge we recommend that you either pay by credit card or ACH transfer if your bank is located in the US. Failure to cover these charges will delay your order.**
