	<p>condition is not eligible to be returned for warranty. In the event "serviceable" material is returned due to failure, buyer is required to provide objective evidence of the fault found.</p> <p>This Quotation is subject to Aviation Parts & Trade Corp's Terms & Conditions of Sale, provided upon request. These conditions shall take precedence over any terms and conditions contained in any oral or written agreement including but not limited to the Buyer's purchase order form. Any conditions or terms which are not contained herein are hereby rejected by Aviation Parts & Trade Corp unless accepted in writing by an authorized officer of Aviation Parts & Trade Corp. Buyer will be deemed to have assented to all terms and conditions contained herein if any part of the goods and or services described on the quotation are delivered to the buyer or his carrier.</p> <p>No returns can be made without written and signed approval from an authorized representative of Aviation Parts & Trade Corp. No refund or credit of any type will be given until the goods in question have been inspected and evaluated.</p> <p>Returned goods: Must be returned in the same condition as sold and must be suitable for resale if applicable. Goods must be returned in their original and undamaged packaging and must be accompanied by all paperwork provided to the buyer. Goods must not have been used, installed, modified, rebuilt, reconditioned, repaired, damaged, or altered in any form.</p> <p>Credit issued for authorized returns shall be subject to the following deductions: (A) Cost of returning the item to sales condition. (B) Handling and restocking charge of 25% of the total</p>
